

# Who We Are

Boutique home studio in the heart of Marlborough turning stories into objects; clean geometry, memorable tactility, and brand-true details. We design and custom-print small-batch pieces for events and retail.

## Mission

Craft story-driven products that turn moments into meaningful objects through minimalist design and considered user experience.

# What We Do (Event-Ready)

## Bespoke Concept

Ornaments, keepsakes, models, coasters, and keyrings crafted to your vision.

## Brand Integration

Logos, colours, seasonal motifs, and naming that align with your identity.

## Personalisation

Names, dates, short messages, and palette matching for meaningful connections.

# Why It Works at Your Event

## Immediate Visual Appeal

Crisp silhouettes and recognisable motifs that capture attention.

## Fast Pick-Up

Price clarity, tiered bundles, and lightweight packaging for seamless transactions.

## Personal Connection

On-brand personalisation pathways without clutter or complexity.

# Why Facet & Fir

## Founder-Led Craft

Personal attention and brand discipline in every project, ensuring quality and vision alignment.

## Flexible Small-Batch

Production scaled to your needs, ideal for market stock and trial runs.

## Minimalism + Narrative

Distinctive, consistent aesthetic that tells your story through clean geometry.

## Event-Savvy

Pieces designed for optimal display flow and efficient queue handling.

# Social Proof (Selected Collaborations)

TEDx Cranfield University  
Interactive photo stands that enhanced attendee engagement and brand visibility.

1

2

Untethered Club

Branded elements for a memorable community launch event.

Bedford's Got Talent Simply Creative Agency Collab  
Custom Microphone trophies celebrating the participants.

3

4

Cranfield Student Association

Graduation collection: photo stands, coasters, and keyrings for milestone moments.

Private Jet Startup  
Bespoke low-poly aircraft models for premium client gifting.

5

# Sustainability

## UK Fabrication

Locally made with attention to quality.

## Low Waste

Efficient production and recyclable packaging.

## Design for Longevity

Keepsakes intended for annual reuse and cherished memories.

# Market Operations

---

## Set-Up

Compact display footprint and clear price cards.

---

## Payments

Contactless and chip-and-PIN ready for modern transactions.

---

## Packaging

Gift-ready boxes or sleeves with minimal waste.

---

## Risk & Safety

Blunt edges, sturdy hooks and ties, weather-aware packing.
